Mennonite Mission Network requests prayer for Austin Roberts, who has worked with Youth With A Mission (YWAM) in Northern Ireland since 2016. Pray for him as he juggles teaching locally and internationally with pursuing a mostly online doctorate from Fuller Theological Seminary in California.

At New Creation we seek to celebrate our differences as gifts and blessings - our differences in color, gender, sexual orientation, and the many other ways we are categorized by the world. You are welcome in this place as we journey together, discerning how to follow Jesus more faithfully.

The **Kansas Mennonite Disaster Service (MDS)** is currently responding to the Cottonwood Complex Fire in Reno County Kansas. Each day we need 1-2 skid steer loaders, a track machine is helpful or a tractor with loader and a grapple fork is very helpful. We can use 4-6 volunteers each day to help with a cutting torch, sifting through and picking up debris. Contact Marvin Penner at marvinpenner@cox.net or 316-619-3499 if you are able to help.

Mennonite Disaster Service: The March edition of *On the Level* is now available from MDS. In our current issue: Learn about the partnership between Fraser Valley Church and MDS Canada in response to last years devastating flood, read about MDS volunteers making a difference for hurricane survivors in Louisiana, and find out how one volunteer went the extra mile to restore a banjo for a flood survivor. MCC response in Ukraine: MCC continues to be in communication with our program partners, many of whom have reduced capacity because of the conflict. Currently, partners are responding in some regions as they are able with supplies they can secure. This includes distributing food, blankets, medications and fuel as well as other emergency supplies. The changing situations in the various cities and regions in Ukraine where there is conflict makes this work difficult and at times dangerous. MCC will continue to determine how it can support short-term needs. However, MCC's strength continues to be mid and long-term disaster response and we are working to formulate these plans for Ukraine. MCC has been working in Ukraine for 100 years and we will continue to serve in Ukraine long after the crisis disappears from the news cycle. Donate today to support these efforts at mcc.org/ukraine

Make your voice heard! Join MCC in urging President Biden to pursue peaceful solutions in Ukraine. MCC asks the United States government to continue considering approaches that do not rely on military intervention or military support. [Engage with your elected officials on this topic and many others through MCC today!](#)

MCC is seeking host families: MCC is expecting 3 international service workers to join our communities beginning in August of 2022. Host families are needed to provide a private bedroom, within their home, and serve as a bridge to church, community, activities and places of interest. A monthly stipend of \$350 is available for the host family to assist with the basics of food, toiletries and household expenses. If you are interested and would like more information about being a host, please contact Abby Endashaw at abbyendashaw@mcc.org or (720) 500-3413.

Internet at church: The Admin Team approved changing the church's internet provider from AT&T to Cox. We anticipate this will help with the quality of streaming services on Sunday morning. To connect your personal devices, the network name and password are posted in the church office and on the basement refrigerator. See Brenda if you have questions.
