PRAYER requests

Western District Conference: Give thanks for WDC congregations hosting vacation Bible school and other summer programs for children and youth in their communities.

Mennonite Mission Network requests prayers for all participants in Mennonite Voluntary Service and Service Adventure, as they bring closure to their assignments in the coming weeks. Pray for these young adults as they discern God's leadings and as they integrate what they have learned and experienced into the next seasons of their lives.

There will be NO worship service at New Creation on Sunday June 4th. You are invited to join the VBS service.

Due to possible inclement weather for Sunday morning, the Vacation Bible School service will be held in the sanctuary at Bethel College Mennonite Church at 10:00 am.

Following the service, there will be a potluck outside on the lawn (weather permitting) or downstairs in the Fellowship Hall (if it is raining). Please bring a food item to share and table service. Drinks will be provided.

The service on Sunday will be streamed through BCMC on the following link:
