At New Creation we seek to celebrate our differences as gifts and blessings - our differences in color, gender, sexual orientation, and the many other ways we are categorized by the world. You are welcome in this place as we journey together, discerning how to follow Jesus more faithfully.

PRAYER requests

Western District Conference: Pray for WDC congregations recovering from damage from storms, that they would experience God's presence and strength and also be a witness of caring and compassion in their community.

Mennonite Mission Network On this Father's Day, join MMN personnel in praying for fathers around the world, especially those who lack the support needed to provide life's necessities for their children. May we share what God has given us, acknowledging that we are all part of God's one family.
