I hope you're getting excited about **WDC Annual Assembly** on Aug 1 & 2! And if not "excited", then I'll take "mildly interested". We really want you to take the opportunity this year, the first time that the Assembly's online, to try it out. Even if you just come to one session! Here's a taster of what you can choose from: Early on Saturday afternoon, choose from two webinars. One will explore how we can be present in our neighborhoods in new and more meaningful ways, as we all get through the pandemic together. The other will be a deep dive into the TWELVE THOUSAND resources available to you at the Western District Conference Library. Later on Saturday afternoon, two more choices. One will be a panel of our young people, talking all things faith, and the other a sneak peek at the new hymnal, *Voices Together*. All webinars are one hour long. And Sunday morning, we'll be worshipping together online.

WDC: On Saturday, July 11 at 6 pm, there will be a bilingual worship service sponsored by the Mennonite Churches of Texas. It will include preaching from John Garland from San Antonio, who has been very involved in immigration work, as well as updates from the congregations around the state. It will be broadcasted on Facebook Live on the Peace Mennonite Facebook page <https://www.facebook.com/pages/category/Religious-Organization/Peace-Mennonite-Church-122293367967468/> as well as on Zoom here: <https://us02web.zoom.us/j/84661820388>. All are welcome to join!

Everence will host its popular workshop, *Make Medicare an easy step*, as a webinar on Tuesday, July 14 at 6:30 p.m. Attendees will learn about the various Medicare plans and what they cover; plans that supplement Medicare; and enrollment details and deadlines. This webinar is free. Please register by contacting Darlene Buller at 316-333-1808 or darlene.buller@everence.com.

Mennonite Mission Network: LCC University Summer Language Institute in Lithuania normally begins this month. Pray for Robin Gingerich, serving with Mennonite Mission Network, and other administrators as they adapt the program to new realities created by COVID-19.
